

And so another year comes to a close.

For the class of 1995, it means starting anew. Some of the class will head off to institutions of higher learning. Others may jump right into the job market. No matter which you intend to do, the memories that Chicopee Comprehensive has blessed you with will last a life time. You will remember a time when a bad week meant midterms or finals. But most of all you will remember a "Touch of (the) Class". You will remember your friends, your teachers, and most of all, your administrators.

For the Class of 1996, it means "Senior Year!!" You are preparing to assert your new found superiority over all other classes, in only the "Classy" est of manners.

For the Underclassmen, the Classes of 1997 and 1998, it means one year closer to the end. "A Touch of Class" may be all your class has now, but as the years grow longer, the bonds will grow stronger. By senior year, you will be more united than you can imagine.

All these classes have one thing in common. All these classes have what make this yearbook what it is. All these classes have, "A Touch of Class", for no Class is complete without being Classy.

# **DEDICATION**

complements of Amy Brogle, Comp Chronicle, December 1994

Memini 1995 would like to extend a sincere "Thank You" to former principal Mitchell S. Kuzdzal for all the work he has put in to the school, and our education.

Mr. Kuzdzal, as he is known to all students, came to Comp as a business teacher when the school opened in 1962. In 1967, he became the chairman of the business department, and the faculty manager of athletics. Shortly there after he was appointed vice principal, and then in 1979 he became principal.

Since then his name has been synonymous with Chicopee Comp. The smiles he has brought to people's faces with his famous "Hi"s will certainly be missed, along with his uncanny ability to excite a crowd at any sports event.

In typical Kuzdzal fashion, Mr. Kuzdzal delayed his retirement to make the job easier for his predecessor. He said, "I felt it would be uncomfortable for a new principal to come in for the first and second marking periods."

Therefore, Memini 1995 is dedicated to our former principal, Mitchell S. Kuzdzal.

On behalf of all the students who have passed through the doors of Chicopee Comprehensive High School, we would like to wish Mr. Kuzdzal a happy retirement. No other principal can ever take your place. Thank you for everything that you have done!

# In Loving Memory

Herbert H. Curry, the superintendent of schools since 1988, passed away on Wednesday, April 6, 1994, at Mercy Hospital due to a long illness at 61 years of age.

Curry graduated from Chicopee High School in 1950 where he was the captain of the football team before he attended Springfield College. There he earned a bachelor degree in 1954 and a master's degree in 1957.

His career in the Chicopee School Department began in 1956 as a physical education instructor. In 1973 he was appointed the assistant director of health, safety, physical education, and athletics, before he became the director in 1980. In 1982, he was appointed the assistant superintendent of schools.

Memini 1995 would like to highlight all the things that Mr. Curry had done to make the schools of Chicopee better learning institutions.

Class History

It finally came, September '91 we began our high school career. This was just one more step we were taking as we climbed the ladder of adolescence.

As freshmen we came in anxious of our new surroundings, scared of the upperclassmen, and worried about all the hours of homework we heard about.

Maybe you were one of those freshmen who feared being thrown into a class with total strangers or even worse all upper classmen. Or maybe you anticipated the opportunity to meet different people and start new relationships. Either way, it happened, and we were given the title "class of '95".

Our initial induction into Chicopee Comprehensive High School was the Fall sports rally. All of us will never forget the feeling we got as we walked into the gym and every single sophomore, junior, and senior was yelling "HANG IT UP FRESHMEN"!

As the year progressed we learned not to be so naive and sooner or later we figured out there was no fourth floor.

Most of us took the advice we were given at Freshmen orientation to get involved. We attempted everything from student council, to sports, to numerous clubs and activities. Even though we didn't seem to show enough spirit at the dances we made up for our lack of involvement in our attendance at the football and basketball games by supporting our players in their wins and losses.

By the end of the year we knew the "ins and outs" of the school we had formed our groups of friends and had a year full of experiences we will never forget.

Freshmen Year

For many people, the best thing about Sophomore year was not being Freshmen anymore. During our Sophomore year we became more relaxed in the high school setting; we made new friendships; and we encountered many new and exciting experiences. In December most of us received our class rings, to us a symbol of being in high school - even though they canceled the Ring Dance - what's new?

We were informed class dues were to be paid for Senior week; however, we ignored the warning. We were bombarded with Fund Raisers and Class Assembly lectures.

We are finally going forward with the high school experience - no longer shy and unsure of ourselves - we are learning the rules of the game.

Sophomore Year

This was the year when most of us were finally able to drive (legally). Not all of us were fortunate enough to have our own car to go along with this privilege. But, we found someone to get us out of the house and to where we wanted to go - whether it was to the mall, to a friend's house, to the beach or just a "cruise down the drive", usually ending up at McDonalds. We experienced the real meaning of FREEDOM for the first time. Another big event for us this year was our Junior Prom. Although at first the tickets sold extremely slow, in the end, our class came through. Some people went as boyfriend/girlfriend, others went as friends and some even went stag. "Oh, What a Night" was our theme song and that it definitely was!

Of course, we can't forget the Kiss the Fish fundraiser that the whole school participated in. All of us donated extra lunch money (especially those who experienced Mr. Boulais two years in a row) and filled his jar with the most money. The result, Mr. Boulais Kissed the Fish and we never let him live it down.

Were we really in school until June 24th?? Could you believe the number of snow days?!

Junior Year

There is only one way to describe our 1994 - 1995 school year  $\dots$  the best time of our lives!

Over the past four years we have grown and matured together (most of us at least). We have shared the good times (snow days, dances, rallies, substitutes) and the bad times (athletic disappointments, locked bathrooms, shorter lunches and the powder puff cheerleading loss). Some things are expected - and accepted.

This year we tackled the college books, visited different schools, filled out applications, and hopefully got accepted into the college of our choice. Others just tried to get a focus on what they wanted to do after high school, college, work, or stay with mommy and daddy. Then, of course, the minority decided having a great time Senior Year was more important than their future (or was it really the majority?). One word sums up Senior Year - SENIORITIS!

Now on to the rest of our lives with dreams of going back to high school days.

Memini 1995's Candids

No yearbook is complete without a color candid section. Memini 1995 is no different. On these pages you can see all those moments that someone caught on film. The embarrassing, the natural, and the psycho.

The photos on this page are commented on clockwise, and from left to right. Fred Ross works hard to get the grade in his computers class. Joe Boissonneault hangs out with the Greniers photographer. Christine Getto, Dianne Baron, Christina Corey, Stacy Lagoy, Jaclyn Larochelle, Joel Daley, and Jamie Duclos, the Advanced English Crew, strain their brains on a test. Tom

Loranger labors over an English test, while Jessica Montemagni sneeks a peek at Melissa Lempke's test.

On this, yet another page we call Memini, we find these photos, labeled clockwise left to right. Steve Sykes provides the sword game a little half time entertainment. The Senior Sword Spectators waiting for the sword convoy to get rolling. Steve Weaver, "Esteban", with MAD O. Christine Moritko, Stacy Riberdy, Matt Menard, Joe Boissonnealt, and Bob LaBreck pose before the sword game.

The Junior class is one filled with great school spirit. Many Juniors would attend the games to show their support. Even though the Junior class lost the powder-puff football game, they proved to be successful when it came to the powder-puff cheerleaders. The Juniors won first place in the drive for the V-Foundation and received money which will go toward next year's yearbook. The class officers did a great job by setting up an unforgettable first prom and guiding the class through the year. Unfortunately one of the class advisors was out most of the year but they handled everything well. The magazine drive proved to be successful because of all who participated. Sometimes the Junior class is forgotten, but they plan on making history here at Chicopee Comprehensive High School.

#### Administration

Mitchell S. Kuzdzal Principal

Dear Graduates:

Congratulations to the graduating class of 1995 as you enter into a world that will provide you with many perplexed challenges and changes. You can be active participants in this inspiring, exhilarating era.

Importantly, in the past four years, we stressed the values of sound, solid character development and I hope that you carry them throughout your lives. Although the list of character traits is unlimited please try to incorporate the following into your daily lives: temperance, justice, courage, kindness, respect, cooperation, integrity, courtesy, dependability, industry (work), friendliness, independence, patience, humility, sensitivity, and sincerity.

Deceit and ignorance must be shunned aside. As individuals you must continue an unbiased search for academic and social truth.

You were a great group of individuals and I wish you the best in life, happiness and health.

Sincerely, Mitchell S. Kuzdzal, Principal

In 1952, we lived on Stearns Terrace near the Elms College. I was 11 years old and Springfield Street's morning paper boy. During that winter American troops were battling on the frigid hills of Korea. Each morning as my mother and I folded papers, I'd suit up in my Uncle Joe's old Eisenhower jacket. He'd worn it all the way across Europe with the U.S. Army's 12th. Armored Division. As we packed those 52 papers I'd peak a glance at the war news. MacArthur was in command and the war was not going well. In school we were studying the Civil War and I knew MacArthur's father, who was born in Chicopee Falls was a great hero of the Civil war. Arthur MacArthur led the charge up Missionary Ridge and won for himself the Congressional Medal of Honor. History calls him "the boy colonel of the west". As I took off each morning to deliver my papers, I headed down old Chapin Street I especially remember those cold, wet, dreary mornings as being ideal for daydreaming. As I cut through the Holy Name Church yard with its towering chestnut trees, the old church was new again as it was in 1863. in the mist and rain I'd pause to imagine the monsignor giving benediction to Company H of the 28th. Massachusetts Infantry.

The company was forming up to march down South Street to the train depot. Those Irish boys were reverent and silent. I knew their names. Every Saturday morning I paid for my papers at Hastings and then climbed the steps at the City Hall to read the Civil War tablets. Thomas Moriarty fell at Antietam; Murphy, Toomey, Shea and Cavanaugh at Gettysburg; Sullivan died in the Wilderness Campaign. As I marched down South Street clad in my Eisenhower jacket my newspaper bag became a Civil War haversack and for a moment I was part of Company H headed for glory. But I had customers on Union Street, so I detoured right and the column traveled south without me. By the time I reached Gilmore Street, my imagination was alive again. In the old brick carriage works of William Gilmore, Civil war veteran Melzar Mosman was creating the bronze doors of the Capital. Later at the Gilmore works Mosman and Daniel Chester French were casting the Concord Minuteman. Across from Chicopee high school the lights were on at what was once Dr. Flecher's house. His office was a small building behind the main house. many mornings I imagined

this tall, dignified man rushing to deliver another baby, perhaps the son or daughter of a soldier fighting far away. I suspected there was a good chance the baby would never see its father. I usually cut across Auburn Street to reach my Fairview Avenue customers. The left side of Auburn Street was the Cabotville Burying Ground and the gate was always open. Nathan Peabody Ames and James Tyler Ames were buried on Auburn Street. James T Ames was a confidant of Statesman and kings. His company supplied cannons and swords to a worldwide market. During the Civil War, Emerson Gaylord was the manager of the Ames Company's leather division. In the 1870's he constructed a magnificent Second Empire Mansion at the corner of Springfield Street and Fairview Avenue. In 1952 Gaylord's grandson still lived there and I was his paper boy. I delivered the Springfield Union for five years, my paper route a journey into America's past. And for the past thirty two years the students of Chicopee Comprehensive High School have allowed me to share my memories of Old Cabotville.

This years Varsity soccer season ended on a positive note. The girls set out with three goals in mind. One being with a .500 season, another winning our league, and the last to make it to the tournament.

The team consisted of 8 seniors, Coach Jim Mercer believed each had their own leadership roles. This was shown when the team tied East Longmeadow; a highly ranked team and beating Chicopee High twice. For the first time in twelve years we made it to the Western Mass Tournament. Losing 2-1 against Longmeadow was an upsetting loss, after a goal was called back that would of tied it.

#### AHEAD OF THE PACK

Bottom Row: Gina Regonini, Jill Lombardi, Amy Meade. Middle Row: Jenn Black, Kelly Thompson, Kristen Kozial, Lisa Herbert. Top Row: April Hirozi, Pam Lombardi, Kelly Bujnicki, Tricia Lamica, Mr. Airoldi.

The Girls Cross Country team had a tough season. Juniors Lisa Herbert, Kelly Bujnicki, and Jenne Kwetian were the only returning runners this year, therefore, we were unable to hold last year's record of 10-1. This year our record of 2-8. Despite the teams lack of experience we were improving each meet.

Western Mass showed out improvement because we defeated three teams who had earlier defeated us. For her second year in a row, Lisa Herbert qualified for the State Championships. Due to our enthusiasm and improvement next year should prove to be a better season. Overall, our team was impressive in spite of our lack of experience.

The team coaches of the 1994 season were Sandi Barrett and Patty Ryan. They worked hard to keep the team up and ready. They always put a smile on your face. The final record for the 1994 season as a team was 109.25. Every member worked day in and day out to give us this final score.

The highlight of the season were: Amy Anthony won five out of eight all-arounds. Amanda Salacinski won all-around in every meet. Five members of the team got handspring vaults. Karyn LaRoche got straddlebacks on bars, and floor and floor turned out to be our best event of the season.

WEST SPFLD.
AT MINNECHAUG

The girls basketball '94-'95 season was a learning experience for many of the players. With two returning starters, it was somewhat of a rebuilding year. Our overall record was 5-13. We were 4-6 in our league which was good enough for fourth place in our league. There were some hard losses but also some very intense games.

Mrs. Joan Boratis, our coach, brought a lot of spirit and energy to the team. She taught us to plan as a team, this is where our wins came from. Different players stepped up every game and became the leader. Hopefully this will continue for years to come.

The Boys Varsity Basketball team in Coach Vyces last season ended up with a 2-18 record. The teams only two wins came against Ludlow and Agawam. Although there were a few other chances of pulling off a victory, the team didn't hang on for the win. The team overall had fun and has high expectations for next year.

The girls varsity team had an outstanding season. the team consisted of nine freshmen, four sophomores, three juniors, and two seniors. The team finished off the season with a record of six and six.

Throughout the season the girls improved greatly. Many best times were accomplished and all the meets ended with close scores.

The team worked very hard and through this work eight girls qualified for Western Mass. All the relay teams finished in the top twelve and two individuals finished in the top six.

Overall the season was fantastic. Next year I believe the team will be stronger. The team will be more grown-up and have the experience to do even better than this years team.

The Boys Varsity swim team had an outstanding season. We moved up a division from last year, and we swam really powerful against teams. Not only were we undefeated, but the final scores at the ends of the meets were amazing. We won most meets by 40-90 points.

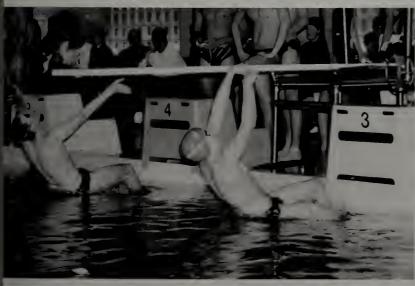

Many swimmers improved greatly this season. The secret to our success is that all of our swimmers are excellent. At meets, we took the top 3 places in almost all the events. We amazed other teams who were expecting to beat us. we won over top division power-houses such as Longmeadow, Minnechaug, Belchertown, Cathedral, and East Longmeadow.

The best feeling was knowing we were number one, and we couldn't lose. We were the first team from Chicopee to win the Western Mass meet that has been won by Longmeadow for about 10 years in a row.

The team looks good for next year; only three seniors are leaving. It's possible that the boys team could go undefeated next year, too. I'll miss being champions, but most of all I'll miss everyone on the team.

The Chicopee Comprehensive High School Varsity Cheerleaders have experienced many changes this year. Instead of being the CO-ED team that they had been for many years, they now had to make the transition to an all-girl squad.

Thanks to the support of our coach, Janice McKenzie, the cheerleaders managed to pull together and become a competitive squad. The Varsity squad has competed in many competitions this year, as well as in the 1995 Mass-State Championship.

The JV team also experienced many difficulties. Even though they did not get the chance to compete this year, they never lost their love for the sport, and they continued to work hard to improve for next year.

Both the Varsity and JV cheerleaders represent Chicopee Comp in the best manner with their spirit, positive attitudes, and dedication.

members dedicate themselves to the well-being of others by taking part in various fundraisers for scholarships, working Red Cross Blood drives, volunteering at nursing homes, volunteering monthly at the Chicopee Soup Kitchen, and much more. These students give time and energy to help their fellow students and citizens by participating in these activities, which not only helps those in need, but also builds character and a sense of self-esteem.

Debate Bottom Row- Garrett Coakley, Mr. Stephen Jendrysik, Jeffery Chouinard, and Justin Perry. Top Row-Chris Dugre, Micheal Fontaine, Robert Carroll, Aaron Colon, Jasmin Morash, Adam Dubilo, and Adam Pudelko.

The Debate Team had an exciting season debating the topic of Immigration. Due to extremely high interest in the debate team, Mr. Jendrysik decided to have two teams. Leading the team this year was the "Gold" debate team consisting of Adam Dubilo and Mike Fontaine (negative); and Adam Pudelko and Garrett Coakley (positive). Overall the team did fairly well.

Bottom Row- Jeffery Chouinard, Micheal Fontaine, Garrett Coakley, Justin Perry, and Mr. Stephen Jendrysik. Top Row- Adam Dubilo, Aaron Colon, Adam Pudelko, Jasimin Morash, and Robert Carroll.

For the last three years, a team of nine students, lead by Mr. Jendrysik, has give up one of their Saturdays to compete in the Academic Decathlon at Pittsfield High School. There they competed in ten events that test their abilities in subjects ranging from fine arts, to science, to math. Though Comp has not been able to rival such excellent teams as Pittsfield and Cathedral, we have always been in direct competition with Chicopee High School.

As Schools Match Wits-Bottom Row- Barrett Coakley, Shawn Cusson, and Jason Remillard. Top Row- Micheal Fontaine, Aaron Colon, Adam Pudelko, and Mr. Stephen Jendrysik.

The "As Schools Match Wits" Team returns two starters from last year's team, juniors Adam Pudelko and Garrett Coakley. The two new starters are senior Micheal Fontaine and sophomore Jason Remillard. Other newcomers are juniors Aaron Colon and Shawn Cusson, who will serve as alternates for the team.

Expectations for this year's team are high with a playoff birth in the team's optimistic future. At the present time, the team is scheduled to face the team from Bloomfield, Connecticut, in the opening match in January, followed by Lee and Southwick/Tolland.

#### **TEAMS**

Model Congress-Bottom Row- Mr. Stephen Jendrisik, Jeffery Chouinard, Robert Carroll, Justin Perry, and Adam Pudelko. Top Row- Adam Dubilo, Micheal Fontaine, Garrett Coakley, Jasmin Morash, and Chris Dugre.

Model Congress is a program directed by American International College for high school students in many states in New England.

A school must have a team of four people to attend. For three days students get to experience what it would be like to be a delegate in Congress. That team stays in the AIC norms and the students go through congressional sessions. They propose a bill to either the House or the Senate and try to get it passed into law.

This program is a good learning opportunity for students who are interested in government. I would encourage everyone interested to go either as a member of the team or as an observer.

This year the band has done very well in achieving our goals. Although we are often overlooked by many who are speaking of school activities, we are a team comparable to any other. Our driving force is our commitment to our musical education and we are inspired by our teacher Mr. Sittard. He is always there when we need him, both as an excellent musician and as a generous and understanding teacher.

Although our numbers and facilities are limited we have achieved success within them. The audience does not really realize our accomplishments because they can't see the smile on Mr. Sittard's face, but it is that smile we remember.

# PEER EDUCATION

Mr. Londraville teaching a class on drugs.

Mr. Londraville observing.

The Peer Education Team is a group of students who agree to abstain from the use of alcohol, drugs and tobacco products. A contract is signed at the beginning of the year that pledges this vow. If a student breaks this vow he or she is expected to remove themselves from the group. Our group is based on trust. Without trust the group would fall apart. Our intentions are to share the knowledge we have on these topics with other people. We do this by teaching at elementary schools throughout the city of Chicopee. We also do projects around our high school. The topics do not cover just drugs and such. Our topics branch out to matters concerning peer pressure, self-esteem, and health. We often work with and support city wide projects. One example of this is Drug Awareness Week.

Overall, the Peer Education team works for the welfare and concern of all youth now and in the future. Our goal is to aid in the formation of a drug free environment.

Journalism is about creating a newspaper that educates, enlightens and grabs readers often in a way that gets the whole student body involved. The students in the Journalism Class are dedicated to hard work. Each student is challenged with finding topics, meeting deadlines, and writing a good article. It's all worth it when he or she sees their story in print. Being a reporter, one gets the best feeling when they help their readers by brightening their day or keeping them up to date with the school and community.

What is the yearbook? The yearbook is your book. It's a 176 page history book highlighting the people, school activities, and events that took place during that time.

We the yearbook staff try to capture those moments for you and put those memories in the yearbook. All this work was shared by many people, each person concentrating on one specific area.

The two editors-in-chiefs were responsible for organizing the staff and helping them with their problems.

The one thing that must be learned before the yearbook is put together is to expect the unexpected. No matter how perfect the work seems to be going, something always goes wrong.

#### LIBRARY AIDES

Micheal Fontaine, Andrew Blazejowski, and Matt Menard. Missing was Jamie Duclos.

Library aides have many jobs to do in the library, among these jobs are making photocopies, putting books away, and running errands. Library aides also help other students by showing them there books are or how to use library equipment. Although having library aides does not seem like a big deal, without them, things would not run very smoothly.

#### OFFICE AIDES

Bottom Row- Cherie Bak, Joy Rodowicz, Rita French, and Christi Hart. Top row- Mike, Michele Kolek, Angela Carvagabh, and Denise Cote.

Working in the offices of Mr. Alfred Pinciak and Mr. Stanley Kozikowski often proves to be an enlightening experience. As office aides, we try to lighten the work load that the administration usually gets. Most of the time we concentrate our efforts upon calling down a steady flow of customers for Mr. Pinciak and Mr. Kozikowski. But it is also normal to find us looking up names of particular students and addressing letters to parents to inform them of the antics of their children.

We go down during our study periods and handle any extra work that needs to be accomplished in the office. If by some strange miracle there is no work for us, we are able to complete any homework that we may have. In the event that this happens, we treat it as any other study period. But, in general, there's always a mountain of W-O-R-K. by Joy Rodowicz

f we work upon marble, it will perish; if on brass. time will efface it; if we rear temples, they will crumble into dust;

But if we work upon immortal minds and imbue them with principles, with the just fear of God and love of our fellow-men. we engrave on those tablets something that will brighten to all eternity.

## In Closing ...

The 1994-1995 school year was filled with memories that most of us will never forget. Our boys' swim team became the first to win a Western Mass Championship, and both soccer teams finished first in their leagues. The boys' basketball team said good-bye to retiring Coach Alex Vyce after many years.

The school also said good-bye to retiring principal Mitchell Kuzdzal. After many years of his never ending "Hi, how are you doing?" We appreciated all his support at all school functions. Good Luck Mr. Kuzdzal!

For the first time in school history, the entire student body had to

wear picture ID tags at all times. The reason was to protect the students from trespassers. For the seniors, we didn't really mind, after all, this was our last year.

In the news, we were shocked to see O.J. Simpson fleeing from the police on national television. Now, all we see on television is the trial of the ex-football/movie star for a double murder.

We wish all the seniors the best of luck in the future. Carry with you all the memories you have from Comp.

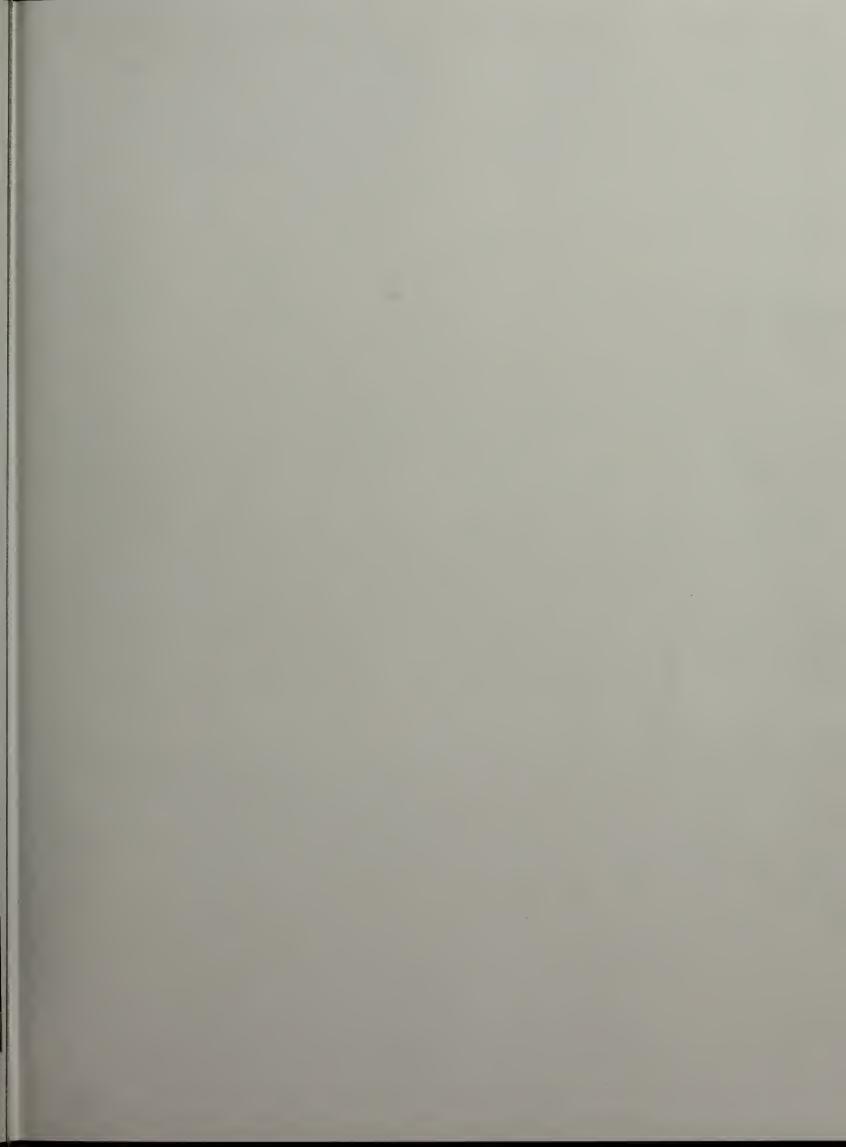

Christine Moritko Publication

Fred Ross

### Thank You ...

Mr. Boulais-For all your support and advice throughout the year. Mr. Lendry- For your guidance and understanding. Greniers, especially Deena-For all the terrific pictures. Administration-For all your support, and the use of the media. Mrs. Pasternak-For letting us use your phone. Mr. Clark and Mrs. Wilk-For all your support. Class officers-For your support and concern. Garrett Coakley, Adam Pudelko, Jill Lombardi, Gayle Hebert-For giving up your mornings to do subscriptions. Toni, Kim, and Melissa L.-For assembling a fantastic senior section in only two days. Katie and Jackie-For a creative underclassmen section, especially for dealing with the roll of pictures. Sarah and Joe-For giving the faculty section a new look. Joe, glad you had it done on time. Joy and Christine L.-For a great student life section. Heather and Christine G.-For digging up the pictures from all four years. Matt and Guilaine-For identifying all the pictures. Christina and Adam-For exposing all your pictures. Stacy R. and Jessica-For doing all the sports section pages by yourselves. We appreciate everyone who went out and got ads, this yearbook would not have been possible. To the people who didn't get ads, thanks for no support. To the pink bar in Smithfield, RI, for a great name. To anyone else we may have forgotten, thank you for everything.
